Objective

As a creative UI/UX Designer and Angular Developer with one year of experience, I am passionate about crafting intuitive and visually engaging interfaces while developing dynamic, responsive web applications. Proficient in design tools and the Angular framework, I strive to contribute to a collaborative team by enhancing user experiences through seamless design and efficient, well-structured code

Education

2024 • UI UX Designer / Angular Developer

ICICI Lombard General Insurance (December - Present)

As a UI/UX Designer & Angular Developer with one year of experience, I contribute to the development of Nysa Health, a platform for browsing and purchasing health insurance policies. My role involves designing intuitive interfaces and developing responsive web applications using Angular, enhancing both user experience and functionality.

Project

Nysa Health & Nysa Motor

Design Tool & Technical Skills

HTML5 & SCSS, JS, Bootstrap, GIT, Angular 17, TypeScript
Adobe XD, Figma

2023 - 2024 • UI UX Designer

Clover Infotech (May - December)

As a UI/UX Designer at Nysa Health, I craft intuitive and user-friendly interfaces that simplify policy selection, enhance navigation, and build trust. Through research-driven design, I create seamless experiences that help users make informed health insurance decisions

Client

ICICI Lombard General Insurance

Project

Nysa Health

Design Tool & Technical Skills

Adobe XD, Figma, HTML5 & SCSS, Bootstrap

2021 - 2023 • UX Designer

Engagely.ai (October - April)

At Engagely.ai, I enhance user experiences by conducting research, surveys, and requirement analysis to design intuitive and efficient workflows

Project

Engagely Live Chat Console (Chat, Voice, Email, and Contact Center) & Engagely Product Landing Page UX Design

Design Tool

Adobe Creative Cloud Suite – XD, Photoshop, Illustrator

2019 - 2021 • Graphics & UI UX Designer

Calibehr Business Support Services Pvt.Ltd (Octo - Octo)

At Calibehr, I design UX for clients like Mybranch, NSB & CO, and NBG, handling research, wireframes, prototypes, branding, and digital media to enhance user experience and brand identity

Design Tool

Adobe Creative Cloud Suite Package, Adobe XD, Figma, HTML5 & SCSS, Bootstrap

2018 - 2019 • Jr.Web & Graphics Designer

Aakarsoft Technologies (Internship)

Designed print & digital materials (flyers, banners, newsletters, logos, social media) and created wireframes & prototypes for landing pages and website proposals.

Project

Dinrack, Espial Edge & Queensworth Website Design

Design Tool

Adobe Photoshop, Inkscape

Education

2018 • B.E (Information Technology)

Datta Meghe College of Engineering

Final Year: 6.65 SPGI

2015 • Diploma in Computer

SVP Polytechnic

Final Year: 6.8 SPGI
